ABOUT ME

Highly motivated and detail-oriented front-end developer with a solid understanding of JavaScript, HTML, CSS, and React. Passionate about creating engaging user experiences and constantly seeking to expand knowledge in web development. Excellent problem-solving skills and ability to work well both independently and in collaborative team environments.

WORK EXPERIENCE

Worked as a Civil Engineer from 2018-2023

PROJECTS

Tvpedia (Movie-App)

It is a simple yet functionality-wise rich web application in which I used ReactJs, ReduxJs, Tailwind & LocalStorage
